HSP-8018/20/22
C Models
Hydraulic Rough Terrain Cranes

- 121' (36.88 m) on-board tip height
- 20-ton (18t) capacity @ 10' (3.05 m) radius
- Piston winches for smooth load control with minimal engine r.p.m.
- Multi-function control
- Rated load indicator for constant monitoring of crane functions
- Three attachment options
